

**MACK'S<sup>®</sup>**

THE #1 DOCTOR RECOMMENDED EARPLUG BRAND

Item #7 - 6 pair

**PATIENT:**

I'm going on vacation and need some earplugs to block out water while swimming, as well as block out my snoring hubby! What do you recommend?

**DOCTOR:**

I have the perfect solution for you: **Mack's® Pillow Soft® Silicone Putty Earplugs**. They are #1 Doctor Recommended to help prevent otitis externa (swimmer's ear) infections, as well as get a good night's sleep when sleeping with a snoring spouse...one product to serve both of your needs!

#1 BRAND OF MOLDABLE SILICONE EARPLUGS PERSONALLY USED BY DOCTORS

Item #10 - 6 pair

**PATIENT:**

My 5-year-old son has chronic ear infections and just had tubes put in his ears. Is he allowed to go swimming with ear tubes?

**DOCTOR:**

Yes, he can go swimming as long as he uses **Mack's® Kids Size Moldable Silicone Putty Earplugs**. They are super comfortable, mold gently to the outer ear canal to seal out water, and are safe for use with ear tubes. Kids love them because they can collect 4 different temporary tattoos!

22 dB  
noise reduction rating

“ I exclusively recommend Mack's® Silicone Earplugs to my patients needing earplugs after ventilation tube insertion and to prevent water getting in the ear with hard to treat fungal/yeast external otitis. ”  
- Dr. Zev Kahn, M.D. - Castro Valley, CA

# SNORING

Item #2810 - 12 pair

**PATIENT:**

My husband and I are going camping for a month, but I don't know how I'm going to survive sleeping in a tent next to him and his loud snoring. Help!

**DOCTOR:**

Mack's® is the #1 Doctor Recommended Earplug Brand to get a good night's sleep when sleeping with a snoring spouse. That being said, Mack's® Snore Blockers® Soft Foam Earplugs were made just for your situation! Their bright color makes them easy to locate on the nightstand and in travel bags.

NOISE

Item #92 - 10 pair

**PATIENT:**

I've been searching for something to help me focus better when I read or study because I am so easily distracted by things going on around me. Any ideas?

**DOCTOR:**

Have you tried wearing earplugs? **Ultra Soft Foam Earplugs** from **Mack's®** are super comfortable and block out those distracting noises. Also, Mack's® is the #1 brand of foam earplugs personally used by doctors, including me! I wear them when I need to concentrate on patient files or when I'm reading my medical journals. They are also great for wearing in public because they are so discreet.

NOISE

Item #99 - 10 pair

**PATIENT:**

We are renovating our house and using a lot of loud tools, like drills, circular saws, and belt sanders. What do you recommend for hearing protection?

**DOCTOR:**

Definitely **Mack's® Maximum Protection Soft Foam Earplugs**. They offer the highest noise reduction rating of 33 decibels, which is perfect for your loud, lengthy project. I'm glad you are considering hearing protection. So many individuals in the construction industry suffer from hearing loss due to exposure to dangerous noise levels over an extended period of time. Hearing must be protected because hearing loss is irreversible.

**PATIENT:**

I just want a soft, comfortable earplug to wear so I can block out the neighborhood noise when I sleep. I've tried so many different brands, but they all hurt and create pressure in my ear. Can you help?

**DOCTOR:**

We all know quality sleep is important for overall health, and Mack's® Original SafeSound® Soft Foam Earplugs are exactly what you need, when comfort is every bit as important as blocking noise. Made of super low-pressure foam for extreme comfort, Mack's® Original SafeSound® Earplugs are tried and true, and will give you that quality rest you have been so desperately seeking.

**#1 DOCTOR RECOMMENDED BRAND OF FOAM EARPLUGS TO PROTECT HEARING OR PREVENT HEARING LOSS**

Super soft hearing protection

User preferred teal color makes them as easy on your eyes as they are on your ears

Ultra Noise Blocker

**32 dB**

noise reduction rating

Item #9540 - 40 pair jar

**PATIENT:**

I'm looking for a foam earplug that is so comfortable, you forget it's in your ear! I'm tired of ill-fitting and not-so-comfortable standard foam earplugs. Do you know if any such earplugs exist?

**DOCTOR:**

When my patients tell me this, I recommend Mack's® ThermaFit™ Soft Foam Earplugs. Upon application, Mack's® ThermaFit™ are rigid, making insertion into the ear canal easier than other foam earplugs that may bend during insertion. Once in your ear, the PVC foam softens with your body heat to slowly expand and fill the unique contours of your ear canal, creating a super comfortable, noise-reducing seal.

**29 dB**

noise reduction rating

Made of unique PVC foam that starts firmer to ease insertion, then reacts with your body heat to soften and conform to the unique contours of your ears

Cylinder design is slightly shorter in length than traditional bullet-shaped foam earplugs, providing a low-profile, discreet look

Noise Reduction Rating 29 dB

**Heat Activated Fit**

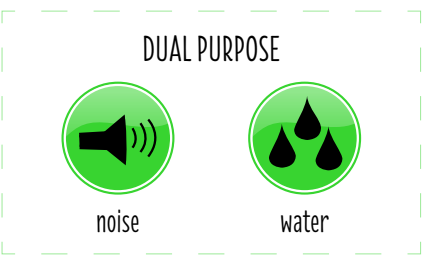

PATIENT:  
DOCTOR:

I am big into swimming and also own my landscape business. Is there an earplug I could wear for both activities?

Mack's® Ear Seals® Dual Purpose Earplugs are perfect for your lifestyle, designed to block out water and loud noise. Ear Seals® come with a detachable cord so you can hang the earplugs around your neck when you need to talk to your employees. Simply remove the cord for swimming activities. They are also washable and reusable, and come with a convenient storage case so you're never without them.

Item #11 - 1 pair

Item #1112 - 1 pair purple

PATIENT:  
DOCTOR:

I am a recreational swimmer and am in and out of the water all the time. I need reusable, washable earplugs that are quick and easy to use. Can you help?

I think you will find that Mack's® AquaBlock® Earplugs are exactly what you need. These flanged-style earplugs are designed for super soft and comfortable water protection. The best part is they are very easy to use, as the stem allows for controlled placement of the earplug, providing a more customized seal and fit.

EARPLUGS THAT DO NOT HURT YOUR EARS!

Item #17

**PATIENT:**

We are flying to California for summer vacation, but I'm dreading the ear pain I'm going to have on a 5-hour flight, and I don't want to take medication. What should I do?

**DOCTOR:**

I would recommend Frequent Flyer™ Approved Mack's® Flightguard® Airplane Pressure Relief Earplugs as a drug-free flying solution. They relieve ear popping and pressure discomfort, naturally and safely, which will help your ears tremendously on your flight to California. Flightguard® Earplugs are also known as "the comfortable earplugs for flying" because they have ultra soft flanges that provide extreme comfort during long flights. They also reduce cabin and engine noise by 26 decibels, so you can relax and enjoy your trip for sure!

26 dB  
noise reduction rating

THE MOST COMPLETE EARWAX REMOVAL KIT AVAILABLE

Item #82

**PATIENT:**

I produce a lot of earwax. I've tried removing it with cotton swabs but that's just making matters worse. Now one ear feels plugged and it's driving me crazy. What can I do?

**DOCTOR:**

We do not recommend using cotton swabs to clean your ears, as they can injure your eardrum or cause earwax impactions. A safe, effective way to remove excess earwax is to use Mack's® ProRinse® Earwax Removal System. It is the most complete earwax removal kit available and helps patients like you with cerumen buildup. Included in the kit are Mack's® AquaBlock® Earplugs to hold ear drops in both ears at the same time for 2x faster treatment, and you can move about while treatment is underway.

“I recommend Mack's® ProRinse® Ear Wax Removal Kit for at-home use. I've used a professional version of Mack's® ProRinse® Earwax Removal Kit in my pediatric office for years with excellent results. Our tests have proven the safety and efficacy of this system.” - James Huttner M.D., Ph.D - Toledo, OH

SCIENTIFICALLY ENGINEERED FOR PERFORMANCE

COMFORTEK™ TECHNOLOGY

Ultra soft flanges and open-flow filter system provide optimal performance and comfort

Frequent Flyers who use Flightguard® say\*

- Relieved air pressure discomfort
- Improved flight experience
- Comfortable to wear & easy to use
- Reduced in-flight noise
- Will recommend to others
- Better than other earplugs they have used

# EAR DRYING

Item #748

**PATIENT:**

Our family of four really enjoys swimming. We use alcohol to dry our ear canals but it often irritates them. We are looking for a more natural and effective way to dry our ears. Do you have any recommendations?

**DOCTOR:**

**Mack's® Ear Dryer** is ideal for you and your family, as it is a drug-free way to dry your ears naturally using warm, soothing air. **Mack's® Ear Dryer** dries the ear canal in about one minute, delivering temperature-controlled, warm, soothing air. I think you'll appreciate that it comes with 4 earpieces, so everyone in your house can have their own attachment for proper hygiene.

Official Ear Care of

Includes 4 color-coded, washable earpieces for better hygiene between multiple users

“My wife and I personally use Mack's® Ear Dryer. We live and practice in Hawaii, so we see lots of patients with water-related ear issues. I recommend Mack's® Ear Dryer to my patients for use after swimming, surfing, bathing and hearing aid use.”  
- Dr. Ronald P. Peroff - ENT (Ear, Nose and Throat) Otolaryngologist - Honolulu, HI

# EAR DRYING

Item #452

**PATIENT:**

My son has frequent ear infections, so we always make sure he wears earplugs at bath time and when swimming. The problem is he has a tendency to pull them out! How do we keep the earplugs in his ears?

**DOCTOR:**

I always recommend children wear **Mack's® Ear Band Swimming Headband** along with **Mack's® Moldable Silicone Putty Earplugs**. This adjustable neoprene headband fits most kids' to medium-sized adult heads, and helps keep ear protection in place. **Mack's® Ear Band** will ease your frustration of having to make sure he doesn't tug at or lose his earplugs in the water.

2-COLOR, REVERSIBLE, ADJUSTABLE

blue side

purple side

Invented by an ENT doctor to safely and effectively dry the ear canal where bacteria and fungi can grow

Safe and comfortable for all ages

Provides controlled maximum temperature, airflow, cycle time and noise volume

Eliminates the need for ear drying drops and unsafe cotton swabs

Removes moisture buildup behind hearing aids, providing a more secure fit

Doctor recommended for use after swimming, bathing, water sports, hearing aid use, scuba, etc.

Folds shut for convenient storage and travel

Requires 3 "AA" batteries

Item #86

## HELPS GET THE TRAPPED WATER OUT OF YOUR EARS!

**PATIENT:**

Every time I get out of the shower, I have water trapped in my ears and I can't hear very well. Do you know what I can do to relieve this?

**DOCTOR:**

Use **Mack's® Dry-n-Clear Ear Drying Aid** after water exposure. These drops are formulated with a unique moisturizing agent that helps dry excess water while conditioning the delicate lining of the ear canal. It dries water from your ears quickly, safely and effectively. You can also bring the bottle with you to the pool since you are prone to water-clogged ears.

“We like to provide our customers with a proven reliable ear drying product at our SCUBA diving shop. We have used your Mack's® Dry-n-Clear® Ear Drying Aid product for a number of years and are very pleased with the results. We recommend Mack's® Ear Drying Aid ear drops to all our students.”  
- Michael Shafer, PADI MSDT, Precious Cargo Diving LLC - Seneca, SC

# SLEEP MASKS

Item #2034

**PATIENT:**  
**DOCTOR:**

I have been working the midnight shift for 6 months now and still cannot adjust to sleeping during the day. What can I do to block out the light? I've tried everything!

Have you tried **Mack's® Dreamweaver™ Contoured Sleep Mask**? Its contoured design prevents the mask from pressing against your eyelids and eyelashes while keeping you comfortable inside a curtain of darkness. It is so light and slim, you'll hardly know you're wearing it. The mask also comes with a pair of **Mack's® Soft Foam Earplugs** for a more restful sleeping experience.

Also in the Sleep Mask category: Mack's® Dreamgirl™ Contoured Sleep Mask, Mack's® Quick Patient Recovery Kit™ and Mack's® Shut-Eye Shade® Sleep Aid Kit, (shown below)

Features dual elastic straps with adjustable tensioners for optimum performance and comfort  
Comfortable, contoured, and cushioned - made with smooth, non-irritating black satin

Soft foam earplugs included in each package for a complete, restful experience  
Great for daytime sleep, travel, insomnia, meditation, headaches and migraines

Shut-Eye Shade® has a padded nose bridge to help keep light out and to prevent the mask from pressing against eyelids and eyelashes

Item #2021

Item #70

# LENS WIPES

Item #72 - 30 wipes

Item #76  
6 wipes

**PATIENT:**  
**DOCTOR:**

While I'm here asking about hearing protection for work, can you also tell me if you know of a good lens cleaner for my safety glasses? I need them to be crystal clear!

I always recommend **Mack's® Lens Cleaning Wipes** for a streak-free, lint-free finish. So many other wipes leave particles behind on my lenses, but not **Mack's®**. They are individually wrapped in a special tri-sealed Mack's® Pack to hold moisture in for a longer life. I keep them handy at all times for cleaning my glasses and my camera lens.

Pre-moistened, individually-packaged lens wipes are your convenient one-step cleaning solution for crystal clear eyeglasses, computer screens, camera lenses, binoculars, scopes, goggles, portable electronic devices  
Specially formulated for cleaning glass, plastic, and polycarbonate

Extra-large 8" x 5" lens cleaner wipes are saturated with a unique anti-fog, anti-static, and anti-streak formula  
Handy pre-moistened wipes fit anywhere: wallet, purse, sports bag, pocket, camera bag, glove box

ROCK OUT *with*  
**BLACKOUT!**

**PATIENT:**

I like to go to the club with my friends every week, but I think it is taking a toll on my hearing! After I leave the club, my ears ring for a while. I don't want to lose my hearing, but I also don't want to give up my social time. What do you suggest?

**DOCTOR:**

It is wise to recognize now, while you are young, that your ears need to be protected from loud music. Since you are active in the club scene, I think **Mack's® Blackout® Soft Foam Earplugs** would be perfect for you, as they are stylish and discreet, while providing you with the comfortable hearing protection you need. Now you can go clubbing safely and not worry about that ringing in your ears.

Item #196  
100 pair tub

**PATIENT:**

My mom said the only way she will let me go to a concert is if I wear earplugs. I don't want to because I know the music will sound muffled and I won't be able to understand what the band is singing. What should I do?

**DOCTOR:**

I agree with your mother, as attending concerts frequently without protecting your hearing is asking for future trouble. Good news! **Mack's® Acoustic Foam Earplugs** are designed for people like you who want to hear the band and music without the "muffle." The innovative hollow-cut and grooved design of these comfortable earplugs provides clearer acoustics and allows for improved communication. This means your ears are protected up to 20 decibels AND you can hear the music clearly. You and your mom will both be happy with this solution.

Item #16 - 1 pair

**12 dB**

noise reduction rating

**PATIENT:**

As a musician, I understand the importance of protecting my hearing, but I am having a difficult time finding an earplug that allows me to hear my own instrument. I need some help!

**DOCTOR:**

I, too, am a musician, and find that **Mack's® Hear Plugs® High Fidelity Earplugs** work the best at providing clear, even sound when playing my guitar. I can also hear the rest of the instruments and the lead singer, just at a reduced noise level. The super-low profile design of these **Hear Plugs®** is perfect for inconspicuous wear when you're up on stage or in the audience.

Hear Plugs® have a unique open-air filter that reduces sound levels evenly so music and speech are clear and natural, not muffled

Soft flanges ensure maximum comfort

Great for concerts, jam sessions, nightclubs, loud events, shop work and motorcycles

Item #287 - 7 pair

**PATIENT:**

I'm the safety director at my company, where we work with heavy machinery and loud equipment. I need some bright, colorful hearing protection so I can see my employees are complying with OSHA requirements. What do you recommend?

**DOCTOR:**

The obvious choice is **Mack's® Hi Viz® Soft Foam Safety Earplugs**. Their bright color (ANSI fluorescent yellow-green) is the most visible color to the human eye, making them the superior solution for compliance checks, fast acquisition for critical use, and finding if dropped or lost. \*These earplugs meet American National Standards Institute's highest luminescent factor requirement of 70% for Hi-Viz safety apparel, making compliance checks easier, more accurate, and efficient.

Great for shop work, power tools, industrial use, motor sports, shooting, etc.

**32 dB**  
noise reduction rating

**PATIENT:**

I'm looking for some safety-related gear, like earmuffs and glasses, for my small business. My employees are subjected to loud noise and debris on a daily basis. Do you have any ideas?

**DOCTOR:**

**Mack's®** has a line of safety products that includes earmuffs and earplugs for hearing protection, and ANSI-rated safety glasses for eye protection. The **Hi Viz® Double-Up® Safety Kit** will probably work best for your employees since they work on job sites and may work in low-light situations. **Hi Viz® Earmuffs** are the most visible color available, and when worn with **Hi Viz® Earplugs**, sound is reduced by 34 decibels. The clear vision, zero-distortion lenses in the **Safety Glasses** offer eye protection, as well as clarity on the job.

\*These earmuffs & earplugs meet American National Standards Institute's highest luminescent factor requirement of 70% for Hi-Viz safety apparel

**PATIENT:** I need something to help me breathe better when I sleep, as I have been told many times by my wife that I snore horribly. What do you recommend?

**DOCTOR:** You should try **AIRMAX® Nasal Dilator** from **Mack's®**. It is more effective than nasal strips at reducing congestion and maximizing airflow for a better night's sleep. It also reduces snoring, so it will make your wife happy! **AIRMAX®** comes in small and medium to accommodate most noses.

# DENTAL

Item #1030

**PATIENT:** I am so tired of waking up with a sore jaw and frequent headaches because I clench and grind my teeth at night. I can't afford a custom bite guard from my dentist and I'm ruining my smile. What can I do?

**DENTIST:** Sounds like you could benefit from the **LunaGuard™ Nighttime Dental Guard**. This over-the-counter guard is a more cost effective way for you to manage your bruxism. It is ultra thin for ultimate comfort and has perforations to allow saliva to flow naturally. One huge benefit is that it can be remolded up to 20 times to guarantee you get the perfect fit!

Great for Oral Care & Sleep sections of your store

PROUD TO BE A RECIPIENT OF THE 2019 PREVENTION HEALTHY SLEEP AWARDS

AIRMAX® Nasal Dilator is different from other products commonly available in the marketplace

Distinctive, patented design which goes inside the nasal passages

Proven to improve nasal airflow in clinical studies

Does not require 'sticky' tape on the outside of the nose

Made of medical grade material

Aerodynamic profile (wing effect expands the narrowest parts of the nasal passage to allow increased airflow)

Dentist Recommended

Maximum teeth grinding protection

Thin, strong material - so thin, you'll hardly know you're wearing it

Quick and easy custom fit

Remoldable up to 20x

180-day durability warranty

Includes storage case

**FACT:** It is estimated that up to 31% of the U.S. population experiences bruxism, commonly known as teeth grinding and/or jaw clenching during sleep. The impact of bruxism can be significant. It can be frequent and severe enough to lead to headaches, damaged teeth, jaw pain, worn tooth enamel, or even chronic facial pain. However, with proper treatment and care, the potential negative impacts of bruxism can be reduced.

Ray Benner invented the moldable silicone earplug back in 1962.

Mack's® Earplugs - innovating and leading the ear care industry since 1962

Mack's® Earplugs were the first earplugs used in a World Series baseball game

Mack's® is the official ear care of USA Swimming

# MACK'S®

Mack's® are the #1-selling moldable silicone earplugs in the USA\*

Masters swimmer, Lois Nochman, broke 18 world records while using Mack's® Earplugs to help prevent swimmer's ear

Pedro Ordenes, who holds the world record for the most "escape" swims from Alcatraz, recommends and uses Mack's® Earplugs exclusively

Co-inventor, Cecilia Benner, appeared twice on the game show "What's My Line?" in the 1960's. "Making Earplugs" was her unusual line of work.

"Mack's® Earplugs saved our marriage."
